WHICH CATEGORY?

Choose the category that best fits what you want judged. You will be presented with levels of categories. You choose a parent category such as Print Media, Public Relations/Communications or Electronic Media, then you will choose a secondary category such as Brochure and possibly a third such as Company Overview. An entry may be submitted in more than one category at an additional cost. Judges reserve the right to move an entry to another category.

WHAT DO I INCLUDE WITH MY ENTRIES?

Hermes lets the work speak for itself. For most entries, the final product is all you need. Explanations, although not encouraged, can be uploaded and will be read by judges. In the case of a campaign or plan, enter work product and any explanation or recap provided to internal or external client. Otherwise, a concise overview of objectives, challenges and solutions will suffice.

WHEN DO I UPLOAD MY ENTRIES?

During the entry process you will be given the opportunity to include a URL if the entry is online. Otherwise, you will be prompted to upload or mail in your entry after check out. Most formats are accepted. In the rare event the file can't be opened, you will be contacted.

WILL YOU DISPLAY OR SHARE MY WORK?

HOW AND WHEN DO WE GET RESULTS?
