

The graphic features a central, stylized illustration of a hand holding a laurel wreath. The hand is rendered in a dark, textured style, and the laurel leaves are detailed with fine lines. The background is a muted, olive-green color with a subtle pattern of white speckles. The text is overlaid on this background. At the top, the word 'HERMES' is written in a bold, white, sans-serif font with black outlines and wing-like flourishes on either side. Below it, the words 'CREATIVE AWARDS' are written in a similar font, enclosed within a dark rectangular box with thin white borders. Underneath that, the year '2026' is displayed in a large, bold, yellow font. At the bottom, the words 'GOLD WINNER' are written in a large, bold, yellow font. The entire graphic is set against a white triangular shape at the bottom edge.
